From the very recent date of opening, this store has appealed to an appreciative public through an attractive store, stocked with dependable jewelry at prices heretofore impossible for a first-class store to

People who have become acquainted with our store and our methods have learned the advantage of walking the extra half-block from Main street, not only to actually save a considerable percentage, but to buy things associated with a jewelry store that are the real attraction in themselves regardless of the great price difference.

It is to your interest and to the ultimate pleasure of those for whom you buy gifts to put the new East Third South street gift store on your list.

### Common Sense and a Tablet

Do Away With Dyspepsia, Stomach Trouble and Make Meals

A Pleasure.

When your stomach goes on a strike and mass meetings of indignation are held all over your body, then it is that you should sit up and take notice.

It is clearly and only a question of common sense—is this thing called Dyspepsia. Take away, by abuse, over eating, excesses and high living, the things which the stomach needs and you have dyspepsia and indigestion; then other maladies follow these—this is common sense.

sense.

The stomach is willing enough but you won't let it do its work. You take away the materials which are so neces-

away the materials which are so necessary for it to use.

Give back these materials and dyspepsia and ingestion flee and the whole machinery of man begins slowly to move and do its work.

What the stomach needs is nerve force, fluids for its digestive glands, nourishment and power. All these necessities it takes from the blood. If dyspepsia gives nothing to the blood, the blood gives nothing to the stomach. the blood gives nothing to the stomach. This is common sense also, pure, simple and unalloyed.

Stuart's Dyspepsia Tablets are com-

mon sense pressed by high power into tablets. In these tablets are powerful essences which go into the stomach, diessences which go into the stomach, digest food, stop gas making, prevent decaying of food, enrich the gastric juices, are absorbed by the blood and thus give it strength to furnish a better fluid for digesting the next meal. Every physician knows what comprises these tablets; every druggist has the same knowledge also. They are natural common sense digesters which do the work for the stomach quickly and well. Every drug store carries them. 50c per packdrug store carries them. 50c per package. Send us your name and address and we will send you a trial package by mail free Address F. A. ## JACOB JACOBSON ASKS DAMAGES IN BIG SUM

Demands \$20,000 From Ohio Copper Company as Result of Accident.

Lieut. John Hempel, acting chief of police, is despening, and some are showing an inclination to disobey the orders of the police. Saturday night, with two exceptions, every house in the town was occupied by the women who have been harbored there in the past and from all indications a man who was known would have no difficulty in gaining entrance. One of the houses, which is under the police should make a raid.

Two of the houses which have been conducted in the city for the longest period of time, after receiving orders from the police, closed their doors and are now engaged in packing up their furnishings preparatory to moving out.

At one of the houses the proprietor declared that she would continue for minding open," despite the edict of actins Chief Hempel.

At an early hour this merning no arrests had been made.

PRICES VERY REASONABLE

## Our Last Argument Before **Christmas**

We are a one-price, plain-figure house to all alike, regardless of station or income. Is it not reasonable that our price must be as low as any, or we could not meet all sorts of price cutting competition and still maintain that price?

Our lines are all exclusive; wares not carried by others.

If this were not so, could we expect an exclusive and discriminating trade to buy our goods and tell their friends to go to Leyson's if they want up-to-the-minute novelties?

Is it not reasonable to expect that your wife, sister or sweetheart will be happier to receive a gift enclosed in a case bearing the name of the jewelry house renowned throughout the West for its superiority over all others?

Our name is worth much but costs nothing.
